

SUBJECT: Experience university life or degree-level apprenticeships for FREE this summer

Dear student,

This is an exciting opportunity for you:

Applications for the Sutton Trust Summer Schools are now open!

The Sutton Trust's flagship **UK Summer Schools** offer you the chance to attend a residential summer school at a leading university and experience student life. The **Apprenticeship Summer School** is a three-day residential at the University of Warwick designed to increase awareness of degree-level apprenticeships and equip you with the skills to navigate the apprenticeship landscape.

Costs for both programmes are covered by the Sutton Trust so they are **free** for you to attend.

All students accepted onto a summer school, along with any students who meet our grade threshold and one other criteria, will be offered a place on the **Sutton Trust Online Core** programme delivered on **Sutton Trust Online**. This 18-month structured programme will provide support and exclusive content over your last two years of school and help you explore your options, apply to, prepare for and succeed at leading universities.

This is a great opportunity for you to explore a university or apprenticeships during your summer break. You are **4x more likely** to be offered a space at a Russell Group university after attending the programme.

"Before the programme, I felt there were certain stereotypes about the type of people applying to top universities, and that I wouldn't be good enough as I didn't fit this profile. After the programme, I gained confidence overall, knowing I'm good enough to make a competitive application." – Denise, Llanelli, Cardiff University UK Summer School 2020

To find out more information about the programmes and how to apply, click [here](#).

Applications are open until **midday on Wednesday 9th March 2022**.

Best wishes,

[Your name]
